Enumclaw, Washington

WD/WRD/WRDX Judges:

Pam Saunders
Hillsboro, Oregon

Entries open (first postmark date):
July 20, 2017 for NCA members, July 30, 2017 for non-NCA members

Entries close: August 14, 2017 at 6:00 PM

Total Entry Limit 30
WRDX Entry Limit 7

Entry Fees and Policies: There is a fee of \$40.00 per dog entered in any division. The test is limited to a total of 30 entries, regardless of division entered (please see Entry Limits for more details). Please send all fees, payable to the Newfoundland Club of Seattle, a completed entry form, and a copy of your dog(s) registration to:

Kristle Marangon, WT Secretary, 26628 Woodland Way S. Kent WA 98030

Entries postmarked prior to Thursday, July 20, 2017 (NCA members) or July 30 (non NCA members) will NOT be accepted. Entries close Monday, August 14, 2016 at 6:00 p.m. Entries cannot be accepted, canceled, or changed after the closing date. Entries will be accepted by mail only, and in order of postmark date. In the event of a tie, a random drawing will be held. If the number of entries exceeds the limit on the closing date, those dogs not yet having passed the division entered will have priority over requalifying dogs. An alternate list will be established by postmark date. Confirmation of entry or alternate status will be mailed to entrants within five days of closing.

Post Entries: Any dog that passes the Junior Division **at this test** may enter the Senior Division, regardless of the limit, for an additional fee of \$20.00. No post entry from Senior to Excellent Division is permitted due to time constraints.

Eligibility: This test is open to purebred Newfoundland dogs of either sex that are at least 6 months of age on the date of the test. Bitches in season will be tested after all other entrants have been judged.

Regulations: All entrants are responsible for knowing and understanding the updated NCA March 2015 Water Test Regulations. A copy of the regulations is available on the NCA website (www.ncanews.org) or for \$5.00 from: Dwight Gorsuch, NCA Publications Secretary, 5282 Burriss Road, Rock Hall, MD 21661.

Test Site: The site is a 140 foot beach adjacent to the public swimming beach. The parks department has permitted us exclusive use of this area of the beach and will allow us to erect temporary fencing. The beach itself is mostly compacted sand and mud and has a rather quick bank into the water. Swimming distance for the dogs is consistently less than 10 feet from shore. The water at Deep Lake is very clean. The lake is off limits to motorized watercrafts and is generally only occupied by the occasional fisherman. Nolte State Park has a "No Off Leash Dogs Allowed" policy, but has graciously allowed the Newfoundland Club of Seattle to conduct the NCA Water Test. **All dogs not currently being tested must be securely crated or on lead and under control.**

Shade: There is shade in the beach area and space between trees for kenneling.

Hospitality: Coffee, juice, and a breakfast snack will be provided for entrants, judges, and stewards on the morning of the test. Each entrant is entitled to (1) lunch, and may purchase additional lunches with this entry for \$10.00 each, for friends and family members.

Photos: Photos will be provided to all entrants at no additional charge.

Directions to the park and a list of dog friendly hotels will accompany your confirmation letter.

Catalog Advertising: Catalog advertising will be accepted until August 11, 2017. Only camera-ready ads will be accepted. All advertisers will receive a complimentary copy of the catalog. Rates are \$20.00 for a full page (5½" x 8½") and \$10.00 for a half page (5½" x 4¼"). Send ad copy to: Kristle Marangon, WT Secretary, 26628 Woodland Way S. Kent, WA 98030. Kaydeem1@comcast.net

Fundraising: Brown bag raffles will be held at these tests and will be drawn at the end of each day.

The WRDX Division will begin at 9:00 a.m., followed by Junior and then Senior Division. Any post entries to the Senior Division will be judged after the conclusion of judging of pre-entered Senior exhibitors. The lunch break is usually scheduled between divisions, but will depend upon the number of entries, and will be held at the judges' discretion. After the Senior Division has been judged, the day will conclude with an awards ceremony for qualifying Water Dogs, Water Rescue Dogs and Water Rescue Dog Excellent Qualifiers.

Per NCA regulations, the preswim may only be used to become familiar with the test waters and beached boat. No practicing of exercises or food, single retrieving article only. The WRDX preswim involves no equipment or boat familiarization and is 15 minutes long.

WRDX Test Entries: Dogs who have earned their WRD title may be entered in upcoming WRDX tests. Dogs with a WD, who earn a WRD title in a subsequent water test, and who are entered in Senior Division (WRD) at upcoming tests whose entries have closed, may transfer their entry from the Senior Division to WRDX tests, if offered. To transfer the entry from the Senior Division of a WD/WRD event to a WRDX test, the handler must submit to the Water Test Secretary a signed statement listing the name of the dog, the date and location of the Water Test passed (WRD level), the judges' names, and the name and address of the owner(s). A change of entry from Senior to WRDX candidate must be received by 6:00 P.M. the night before the test.

A dog earning a WRD title during a given water test is not permitted to post enter to a WRDX event scheduled to be held on the same day. Dogs who have earned their WRDX titles may enter as a requalifying WRDX. However, any entry for requalification will be accepted only if the limit for the test is not exceeded.

EXHIBITORS, PLEASE NOTE:

All Exhibitors are responsible for providing their own water test equipment, including a U.S. Coast Guard approved personal flotation device and suitable foot protection to be worn in the water.

Un-entered dogs and those that are not being tested at the time are not permitted in the official Water Test Areas. Dogs not being tested must be kept crated or on lead at all times and away from the Test Area. The lake is populated with year-round residents who value the peacefulness of their environment. Spectators are encouraged to leave un-entered dogs at home. Everyone must control the barking of their dogs and monitor their dog's behavior.

NCA Dog Aggression Policy:

"Any dog, that in the opinion of the Event Committee, attacks a person or a dog at an NCA working event, resulting in an injury, and is believed by that Event Committee to present a hazard to persons or other dogs, shall be disqualified.

When the dog is disqualified by the Event Committee pursuant to this section, a report shall be filed with the NCA Board. The disqualified dog may not again compete at any NCA working event unless and until, following application for reinstatement by the owner to the NCA Board; the owner receives official notification in writing from the NCA Board that the dog's eligibility has been reinstated."

Practice on Site: There are weekly summer practice sessions held at the site. Please see NewfClubSeattle.org for dates, times and boat usage rules. Nolte State Park is an on-leash ONLY dog park. Dogs are not typically allowed on the swimming beach during the summer months, and our dogs are being allowed as an exception to this rule. Please be considerate and do not train at the site without following the rules set out by the park as listed on our website.

Entry Limits: The test is limited to a total entry of 30 each day. Space will be reserved for 23 WD/WRD entries and 7 WRDX entries. A minimum entry of 2 WRDX dogs will be required in order for that level to be held. At closing, if any of the reserved spaces are not filled, additional entries already received in the other category will be allowed to fill the test to 30 entries total.

PLEASE NOTE:

Bitches in season will be tested at the end of the day in this order: WRDX / WD / WRD.
